

Dear Parents

As part of our Religious Education Topic we are looking at The Christian Family.
Please could I ask that you allow us to have a photograph of your child's family.
You are most welcome to E Mail your photograph to school and these will be printed out for your child to use as part of their studies.
If you send a photograph I would ask your permission to copy it.

Please could I also remind all parents that the first Sacramental Programme Mass will take place on Sunday 25th September.

Mass will start at 10:30am and children will need to be there approximately 10 minutes before mass.

All children will sit on the Sanctuary throughout Mass and will lead the hymns, readings and offertory.

Please Note:

It is the expectation that your child will attend each of the sessions on the Annual Calendar and web-site.

Please speak directly to Father Clarke if your child is not attending for any reason. It may be that your child's Sacramental Programme will be deferred if they cannot attend.
