Dear Parents  
Re: Parking around school

Please can I ask, once again, that you respect our neighbours by being mindful when you are dropping off and collecting your children from school.

I am, at the moment, having to deal with an increasing number of neighbour complaints. In addition, I have had to deal with concerns from the MP and local Coach Companies, who have said that they will refuse to provide a service to our school unless Parent Parking is better.

As relationships in school are so strong and we work together so well as a community, I struggle to understand why this particular issue has become such a problem. I am open to any suggestions to improve this situation.

Please, Please, Please try to assist in any way you can.

Yours Sincerely
