

# SchoolMoney

---

10<sup>th</sup> July 2017

**Dear Parents,**

We are delighted to inform you that we have recently signed up to the online payment system **SchoolMoney**. This means that as from 1<sup>st</sup> September you will have the facility to make payments for school expenses, such as trips, music and lunches online with your debit or credit card.

This new payment system will benefit both us as a school and you as a parent. Not only will you be able to pay for items from the comfort of your own home but you will also be able to access your account at any time to see if there is anything you need to pay for. **SchoolMoney** will enable us to experience a more streamlined, cost-effective and efficient payment system in a secure and safe environment.

You won't need to sign up to this system as this is done automatically through the school and as long as you have provided us with up to date contact details we will send you a password in September as soon as the system is live for our school. This password will give you access to your **SchoolMoney** account where you can pay for any items we have requested from you.

It is imperative that we have your correct mobile number and E Mail address as recently requested so that you will be able to log on in September at the start of the new school year. To log into **SchoolMoney**, you will visit the website [www.schoolmoney.co.uk](http://www.schoolmoney.co.uk) and enter your mobile number, email address and the password we will send to you in September. If for any reason you are struggling to log in, it may be because you have not provided us with the correct contact details. Please let us know immediately if either your mobile number or email address changes.

We appreciate your cooperation in the early stages of rolling this system out to you.

Yours Sincerely

E Gaffney  
Headteacher
