

My name is Catherine Massey and I was appointed Parent Governor in July 2017. I have two children at St Anne's in Year 3 and Year 5 and I am a past pupil. I feel fortunate to have been given this opportunity to help support the head and staff to ensure our children achieve the best they can.

I am a Legal PA for a team of lawyers in the Real Estate Department of a large law firm in Manchester and have been in my current role for 19 years.

I have a friendly manner and approach and I look forward to improving my knowledge of the curriculum, policies and anything that affects the running of the school.

When I am not working I am a busy mum to my two children and particularly enjoy attending the community assemblies at school and helping with the PFA fundraising for our school and charities.
