

I am Fr Christopher Lough. I have been the Parish Priest of St Anne's and a Foundation Governor of the school since July 2017. I am currently Chair of the Finance and Personnel committees. I have previously served as a governor of schools in the Oldham, Bolton and Bury areas.

As well as being a parish priest, I am a member of the Salford Diocese Department for Formation, trying to help adults, children and their families prepare to receive the sacraments of Baptism, Holy Communion and Confirmation. My particular interest is in working with adults to discover the wonders of the Scriptures and to grow in understanding of their Christian faith.

I love being with the children at St Anne's and especially joining them for their wonderful school Masses and for their celebrations in the parish.
