Sports Grant 2019-2020

At St Anne's all governors and staff accept responsibility for all children and are committed to meeting their pastoral, social academic and physical needs within all aspects of our school life.

The Government provides funding to assist schools to improve the quality of PE and Sports Activities. Schools are "free to choose the best way of using the money".

For the Academic Year 2019 – 2020

Provision at St Anne's will be made in the following ways:

- Facilitate children's access to a qualified sports coach. Every child from Nursery to Reception has a weekly session with the qualified Sports Coach
- Provision of a range of sporting activities, developing a love for sport and a range of skills, led by a qualified sports coach.
- Competitive sporting activities with other schools, allowing our children to compete against children in other schools.
- All teaching staff and some support staff will attend lessons alongside the sports coach, empowering them with knowledge of and skills in a range of sports. This will ensure the teaching of sport to be sustainable across all phases of school.
- Invest in new games equipment to ensure a full range of skills are encountered.
- Replenish playground equipment to ensure games can be played throughout play and lunchtimes.
- Promote the Lunchtime club, especially for gymnastics and social skills.

Reporting PE and Sports Premium to Parents

It is the responsibility of the governors to inform parents of the expenditure of the PE and Sports Premium.

St Anne's RC Primary School will publish details of a report online annually.

This report aims to detail

- information on how the PE and Sports Premium has been used within school
- attainment and progress as a result of the Premium paid to the school.
- Sports coach to input data in consultation with class teachers.

A report on these areas is considered by The Curriculum and Standards and The Personnel and Finance Committees of St Anne's Governing Body each term. This information is informed by teachers' formative and summative assessment, reports provided by the sports coach and planning for future learning.

This is the case for all groups of children from Nursery through to Year 6.

PE AND SPORTS PREMIUM GRANT RECEIVED 2019 – 2020
PE AND SPORTS PREMIUM GRANT PLANNED EXPENDITURE

Premium Grant Proposed Spending 2019 - 2020

Objectives of spending Pupil Premium Grant:

- Provide a range of skills and experiences through sport
- Encourage children to partake of a range of sports
- CPD Opportunities for subject manager
- CPD and sustainability of teaching and learning across school.
- Access to inter schools competitions
- Encourage a transfer of skills across sport
- Encourage healthy competition by working together and with other schools
- Provide additional breakfast, lunch and after school experiences.
- Nurture a love of a healthy lifestyle, including sport/exercise.
- Visit/taking part in a sport that is not usually easily accessed eg Archery, Cricket, squash.

Social Skills and Overcoming barriers to learning

- All children to work co-operatively in team games
- Access to “club” without huge cost to parents
- Funding for Pupil Premium children to access additional sporting activities
- Extension of school day without huge cost to parents
- Opportunity to experience working alongside children from other classes/schools

- Opportunity to experience healthy competition.
- Experience professional sporting event.
