

My name is Alicia Duffy and I am the Headteacher at St Anne's. I attend all Governing Board meetings. I am a practising Roman Catholic and am committed to the spiritual, moral, social and cultural development of each individual child here at St Anne's. It is my role to ensure that the Mission Statement of St Anne's permeates through all that we do and show the Governing Board of St Anne's how we do this. I feel extremely privileged to have such a wonderful job, where I am able to truly make a difference.
