**RE: GUIDANCE ON USE OF THE ONLINE RESOURCES**

To log in to the home learning account, you must use the login given below:

EACH CLASS HAS A DIFFERENT LOGIN AND PASSWORD. You must use the correct username and password for each year group. If you have more than one child and only one device, you may need to download work from each year group for the children.

To log in, YOU MUST BE LOGGED OUT OF YOUR PERSONAL EMAIL ACCOUNT ON YOUR DEVICE OR YOU WILL NOT BE ALLOWED ACCESS OR TRY A DIFFERENT WEB BROWSER LIKE CHROME OR FIREFOX It will not allow you to log in using the St Anne's account and password if you are already logged into your personal email account like Hotmail or Outlook.

Children will work on the activities in the W.C (Week Commencing) folder. This can be downloaded and printed off to complete or electronically edited and uploaded to the completed folder.

All schools will be asking children to access online learning. Therefore, we must anticipate some delay in the performance of online portals due to the demand. We have created our personal online bank of resources via our website, as well as the online providers such as Purple Mash, My Maths etc. If you continue to struggle to access online learning, please email: [admin@st-annes-audenshaw.tameside.sch.uk](mailto:admin@st-annes-audenshaw.tameside.sch.uk) or contact your child's class teacher using Class Dojo (Login sent home with you child by Friday 20<sup>th</sup> March).

Children will be given a 'Learning Logbook' to complete the activities in. The best Learning Logbooks with beautiful presentation will be celebrated in Assembly when we return and children will be awarded with a V.I.P Day of fun for super effort! This will hopefully encourage our children to try their best with home learning.
