Getting Your Child to School Really Matters

British Science Week

After finding out about different scientists and the connections between skills in science and creativity, Year Five really enjoyed inviting pupils from other classes to share their knowledge and discuss what they love about science. They worked so well together!

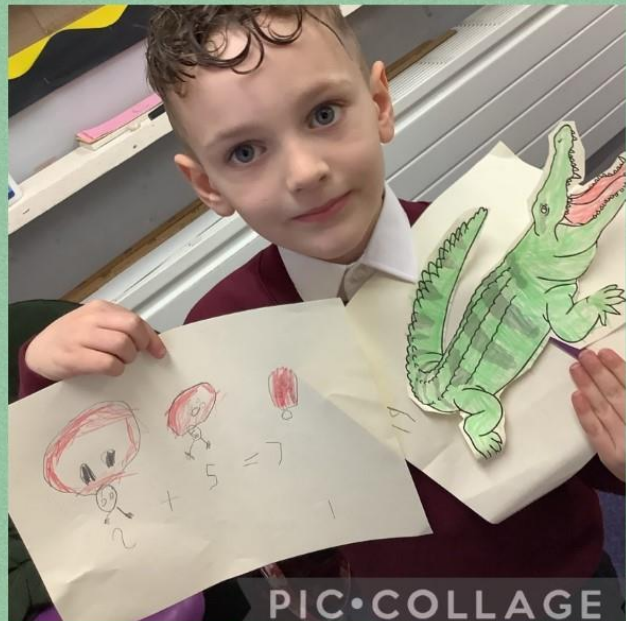

British Science Week

Year One enjoyed some Maths Day activities! They made 'greater than and less than puppets.'

EYFS Mother's Day Assembly

This morning EYFS performed a beautiful Mother's Day Assembly for the whole school. It was lovely to see so many Mothers and Grandmothers in the hall this morning! We are all so thankful for the children and the EYFS team for all their hard work organising this lovely event.

After the Assembly, there was a Coffee Morning to raise funds for the 'Living Egg Project'. It was a roaring success with enough money being raised to bring the chicks to school! Well done EYFS!
