## HEADTEACHER'S NEWSLETTER

### World Of Work Week

Last year we held our first ever 'World of Work Week' for our Year 5 and 6 children. It was an enormous success and the pupils learnt so much about careers from our parents. We had doctors, detectives, self employed business owners and many more! This year our World Of Work Week is next week, the week commencing Monday 22<sup>nd</sup> January. I am still looking for parents who would like to come in and speak to our children about their chosen career and the path that has led them to where they are today. The children draft questions that they would like to ask and each individual session tends to last between 20 and 30 minutes. Please could you contact the school office if you would be interested and thank you in advance.

### Pedestrian Path

Many of you will be pleased to know that we have reopened the pedestrian path by the school field. I do thank you for your patience. I am hoping that this may help ease the current parking issues we are experiencing on Clarendon Road.

### Lancashire County Cricket Club

Aaron from Lancashire County Cricket Club came into school on Tuesday. He delivered an assembly to Key Stages One and Two explaining all the qualities it requires to be a cricketeer and spoke to the children about signing up for cricket clubs during the school holidays. He then spent the day with Year 6.

### **Fun in the snow!**

This week our children had lots of fun playing outside in the snow!!

### **Computing in Year One**

This week Year One have been learning all about Pictograms. Mrs Dass explained to them how a pictogram works. She then shared some data with the children and they had to use Purple Mash to produce their own pictogram. Well done Year One!

### **Early Years Foundation Stage**
