HEADTEACHER'S NEWSLETTER

Dear parents and carers,

I hope that you and your loved ones had a wonderful Christmas break and I wish you every happiness for the new year. It has been so lovely to welcome the children back to school after their break.

World Of Work Week

Last year we held our first ever 'World of Work Week' for our Year 5 and 6 children. It was an enormous success and the pupils learnt so much about careers from our parents. We had doctors, detectives, self employed business owners and many more! This year we have scheduled our World Of Work Week to be the week commencing Monday 22nd January. I am looking for parents who would like to come in and speak to our children about their chosen career and the path that has led them to where they are today. The children draft questions that they would like to ask and each individual session tends to last between 20 and 30 minutes. Please could you contact the school office if you would be interested and thank you in advance.

Solar Panels

We have successfully secured funding for the installation of solar panels at school. We are aiming to reduce our carbon footprint and it should also help school save money. We are hoping that the installation process will begin next week!
