HEADTEACHER'S NEWSLETTER

Doubling in Year One

Our children in Year One have been using the Numicon to double numbers this week. Well done Year One!

Key Stage Two SATs Week

This week has been Key Stage Two SATs week. I would like to take this opportunity to thank each and every pupil in Year Six. They could not have worked any harder. Their behaviour has been exemplary and it has been a pleasure to work alongside them this week. We are all so incredibly proud of them. As a treat, they are going to Ryecroft Park this afternoon to play with each other!

Design and Technology in Year One

Year One's carriages are complete! The children have worked so hard to design and make their own carriages. They are now using verbs to write instructions and evaluating their final products.

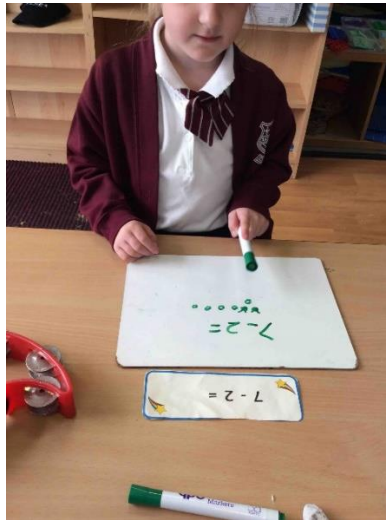

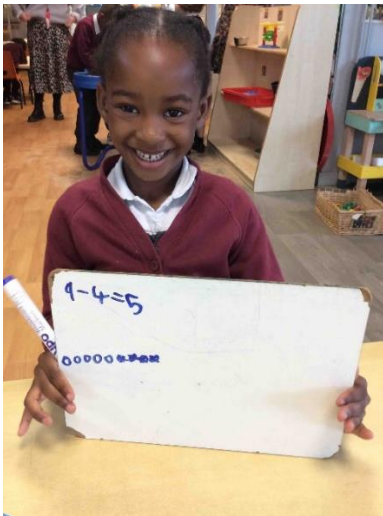

Science in Year Two

Year 2 enjoyed planting their bulbs and seeds on Friday in Science. They can enjoy watching them grow over the Summer Term!

Maths in Reception

In maths this week, Reception have been solving subtraction number sentences. They have drawn pictures to show their understanding.

Reading In Year Two

Well done to our Year 2 readers who understand the importance of reading at home daily. Here are our Year 2 readers enjoying their special treat for having read 20 books or more!

Laudato Si Week

Next week is 'Laudato Si' week here at St Anne's! Thank you so much to DB nurseries in Hyde for our free tomato plants which Mrs Chadwick and Mrs Gordon collected yesterday. Key Stage Two pupils can't wait to plant them!

Art in Year One

Look at the wonderful portraits our Year One children have made of Henry VIII. Well done Year 1!

Art in Year Five

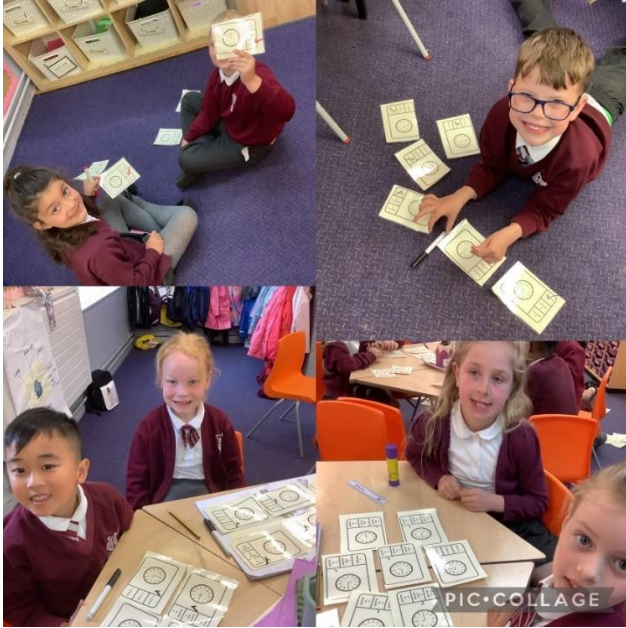

In Year Five, the children have started to work with pencil, ink and watercolours to inspire their own pieces of abstract art using acrylic paint on canvas. We can't wait to see the finished pieces next week!

Maths in Year One

How many different ways can you halve a square? That's what our Year 1 children have been investigating this week....

Maths in Year Two

Year 2 have started their new topic in maths 'time'. They have been working so hard to tell the time to o'clock, half past, quarter to and quarter past. Please support your children in telling the time at home!

Design and Technology in Year Two

Year 2 enjoyed baking their flapjacks this week as part of their Design and Technology unit. They also enjoyed eating them and sharing them with staff. Thank you Year 2 for the delicious flapjack!

Extra- Curricular Clubs

Monday – Multi-Sports for Years 1 & 2

-Rugby for Years 3, 4, 5 and 6

Tuesday – Cheerleading and Street Dance for Years 3, 4, 5 and 6

Wednesday – Cheer and Street Dance for Years 1 and 2
