## HEADTEACHER'S NEWSLETTER

*"To help each person here to achieve his or her best in work and play.*

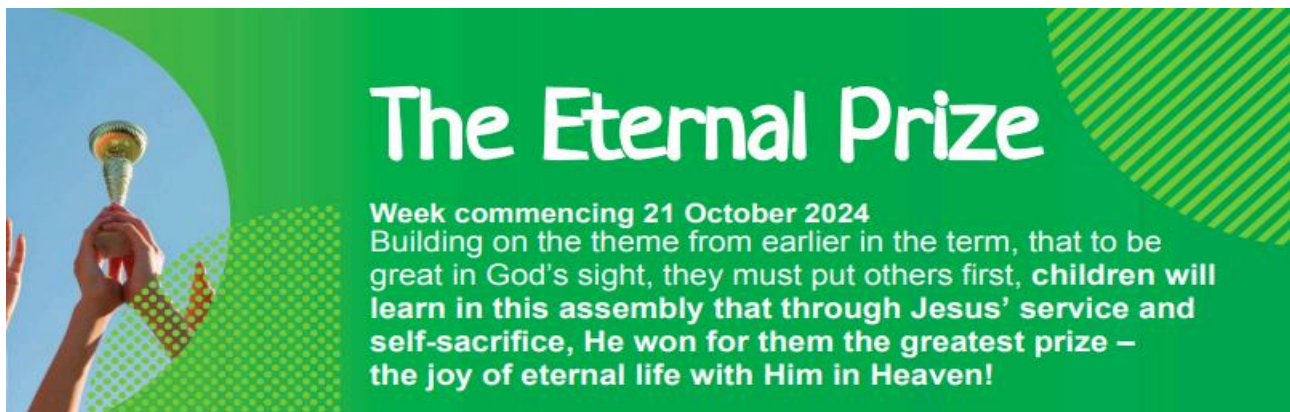

*To celebrate whatever is good and follow in the footsteps of Jesus by supporting and forgiving each other.*

*For the honour and glory of God."*

**25<sup>th</sup> October 2024**

As we approach the half-term break, I want to take a moment to congratulate all our children for their hard work and exemplary behaviour over this half term. Their dedication and positive attitudes have filled our school with joy. Enjoy this well-deserved break and take the time to relax and recharge. We look forward to welcoming everyone back, ready for more learning and fun on the 4<sup>th</sup> November!

### **Prayer and Liturgy**

During this week's Gospel Assembly, the children learnt about the importance of following Jesus' example by serving others. As part of our school newsletter, I will now include a link that takes you to the 'Wednesday Word'. The 'Wednesday Word' is a leaflet inspired by the coming Sunday's Gospel. It is designed in a family friendly way and has lots of fun and engaging activities for the children to complete. It aims to be informative, enjoyable, and I encourage parents to engage with the resources, spending a very special 10 minutes together with your child each week. I hope you enjoy!

## Outside Achievements

Well done to all of our talented children who shared with us their fantastic achievements from outside of school. We had dancers, boxers, BMXers, Mathematicians and so much more!

## Nursery

In English, we have continued our work on 'There is no dragon in this story'. This week the children have used their understanding of the story to 'write' (mark make) their own story map!

## Reception

Reception have made their own story maps as part of 'Everybody Writes' week. We drew pictures for the parts of the dragon story and wrote some key words using our phonics knowledge!

## Year One

Year one re-enacted a Baptism during our Religion lesson this week. We spoke about how a baptism welcomes someone into God's family.

## Year Two

Year Two loved their trip to the Fireground and learnt so much about fire safety!

## Year Three

In Year Three we have been practising how to add two- and three-digit numbers using the column method. The children have shown great resilience when solving tricky problems!

## Year Four

The Roboteers in Year Four have built two incredible robots from scratch! They used Science, Technology and Engineering to design and create their final masterpieces. Using old dismantled electrical equipment, they have created two beautiful structures which are proudly displayed in our entrance hall.

## Year Five

This week, Year Five became the Sun, the Moon and the eight planets to explore how they move over time. It was fascinating to see our Solar System in action!

## Year Six

Year six had a fantastic time this week, learning how to design and make their own websites! They chose their own subjects and added images and links to their pages.
