

Reception	St Anne's R.C. Nursery & Primary School		Understanding the World Knowledge Organiser
History and Geography			
Specific Subject Vocabulary	Sticky knowledge about...		Book Links
Beach	<u>Revisiting Learning (Our learning from Nursery/Spring Term)</u>		Somebody Swallowed Stanley
Coast	<ul style="list-style-type: none"> The children may have visited a beach or been on holiday to a beach. Some children have the misconception that we do not have any beaches in England/UK. They may know some ways to stay safe in the sun. They have explored summer changes in Nursery. 		Commotion in the Ocean
Sea			Sharing a Shell
Ocean			Tiddler
Wildlife			The Rainbow Fish
Holiday			One is a Snail and Ten is a Crab
Sand	<u>New Learning – Geography/Science</u>		Clumsy Crab
Rockpool	<ul style="list-style-type: none"> We will be exploring seasonal changes – summer and hot weather. We will be learning how to keep ourselves safe in the sun. 		Barry the fish with fingers
Summer			Who Sank the Boat?
Sun			Beach Treasures
Seaside	<ul style="list-style-type: none"> We will exploring the different features of beaches/coasts and the seaside. We will compare beaches abroad to beaches in the UK. We will consider the effect of humans and people on local beaches and wildlife. 		<u>Home Learning Opportunities</u>
Past	<u>New Learning – History</u>		<u>Geography/History</u>
Present	<ul style="list-style-type: none"> To explore what beach holidays were like for families/children in the past. To find out what people wore on the beach in the past. To explore images and activities that took place on holiday/the beach and compare this to holidays and beaches today. To describe a beach and talk about what we can see, hear, feel etc. using our senses. 		Explore and learn about some local beaches. Where are these? Have you visited any?
Day trip			
Seaside resort			
Pollution			Design/make a poster or picture about how to keep safe in the sun/water. We can put these up in our EYFS classroom!
Deck chair			
Sand			
Sandcastle			
Wave			
Tide			Go on a litter pick to help save animals and wildlife from plastic pollution.
