

ST ANNE'S RC PRIMARY AND NURSERY SCHOOL

Summer 2 Newsletter

Year Five

English

We will be creating our own non-chronological booklets for Laudato Si' entitled How to Save Our World, based on the book What a Waste by Jess French.

Mathematics

We will learn about decimals, negative numbers, converting units and volume.

RE

We will be exploring the links between freedom and responsibility, and how these relate to the Ten Commandments, the Beatitudes and God's merciful love.

Geography

This half term, we will be using maps and exploring the key physical and human characteristics of the Americas, with a focus on North America.

Science

We will be learning more about reversible and irreversible changes.

PE

This half term we will focus on athletics.

French

We will learn how to talk about the weather.

Music

We will be exploring improvisation and performance.

PSHE/ RSE

We will be talking about how we can cope positively with change.

Computing

We will be learning more about programming.

Art / DT

This half term we will learn about food and nutrition.
