

ST ANNE'S RC PRIMARY AND NURSERY SCHOOL

Autumn 2 Newsletter

Year 4

English

Poetry

The children will look at a range of poetic devices whilst completing a Remembrance poem.

Letters to Santa

This term in English, the children will be writing letters to Santa Claus! They will learn about the proper layout of a letter, including greetings, paragraphs, and sign-offs, as well as how to use clear and polite language to make their writing shine. Once their letters are complete and beautifully presented, we will take a special trip to the post box to send them off to Mr. Claus

R.E

Promise & Prophecy

This term we will be learning all about the different parts of Mass. We will also be looking at how God spread messages through prophets and angels.

Computing

Podcasts

They will learn what podcasts are, how they are created, and the key features that make them engaging.

Art/ DT

Winter Food

Children will look at how food is prepared safely. Learn how to use recipes and prepare some wintery treats.

Mathematics

- Area
- Multiplication
- Division

Geography

This half term we will be focusing on settlements and developing our map skills and carrying out fieldwork.

The focus will be on map symbols and grid references.

Science

States of Matter

They will explore the properties of solids, liquids, and gases, and investigate how materials can change state when they are heated or cooled. The children will also learn about the water cycle, including key processes such as evaporation and condensation, and carry out hands-on experiments to observe these changes in action.

Music

Violin with
Tameside Music
Service

PSHE/ RSE

Children will explore what it means to be in their world.
