Prayer and Liturgy

This week, Year Three began our Advent assemblies, focusing on the importance of preparing our hearts and lives for the coming of Christ. They reflected on the message of being ready and vigilant, drawing on relevant Scripture from **Matthew 24:42** – ***"Therefore keep watch, because you do not know on what day your Lord will come"***.

The Wednesday Word

Please find below this week's link to the 'Wednesday Word' leaflet, inspired by the coming Sunday's Gospel. It includes fun, family-friendly activities for children, and I encourage parents to spend a special 10 minutes each week exploring it together. I hope you enjoy it!

Nursery

This week, in Nursery, we have been developing our fine-motor skills, by carefully feeding the birds and creating our own animal enclosures.

Reception

This week we introduced a 'design' element to our construction area. The children have really enjoyed drawing and labelling their designs before creating their models.

Year One

Year One have had fun using musical instruments to play along to their new song - Banana Rap!

Year Two

Year Two loved Science this week! We looked at how germs spread and how good hygiene keeps us healthy.

Year Three

In Year Three, we have been exploring healthy eating. We sorted different foods into the five main food groups and used real food labels to investigate their nutritional content. The children showed fantastic team work and enthusiasm as they analysed whether or not each food item was a healthy choice.

Year Four

There was so much love in Year Four's classroom this week as the children received and read the secret letters their parents had sent to them to start their new letter writing unit in English.

Year Six

This week in RE, Year Six have explored the scripture telling the story of David and Goliath. We annotated artistic representations and then created our own depictions in our Art lesson.
