Parent and Visitor Code of Conduct

At our school, we are committed to providing a safe, respectful and positive environment for all members of our community. To ensure the safety and wellbeing of everyone on site, we ask all parents and visitors to adhere to the following expectations:

- Enter and exit the school via the main office.
- Follow all visitor sign-in and safeguarding procedures.
- Park considerately and respectfully towards our neighbours and the local community.
- Support the school's organisation and supervision of children whilst on the premises.
- Conduct yourself in a calm, sensible and respectful manner at all times.
- Raise any concerns with the Headteacher or a member of the senior leadership team rather than discussing them with other parents.
- Never confront another child or parent on school premises.
- Never make physical contact with another child or parent.
- Never use abusive, threatening, intimidating or offensive language or behaviour towards staff, children, parents or visitors.
- Do not bring alcohol, illegal substances or any prohibited items onto the school site.

Concerns Regarding Your Child

I would like to remind all parents that any concerns regarding their child must always be addressed through the school. Under no circumstances should parents become involved in disagreements or confrontations with other children or adults.

We are committed to resolving concerns fairly, professionally and in the best interests of all children. Please contact the Headteacher in the first instance so that appropriate support can be provided.

Failure to Comply

Failure to observe this Code of Conduct may result in:

- A formal written warning.
- Removal from the school site.
- Restrictions being placed on access to the school premises.

Where behaviour is deemed threatening, abusive or unlawful, the police may be contacted and asked to take appropriate action.

Thank you for your continued support and cooperation in helping us maintain a safe, respectful and welcoming school community.
