“Following in Jesus’ Footsteps with Love in Our Hearts”

Friday 2nd October 2026

This week in our Worship Assembly, we reflected on how October is the Month of the Holy Rosary. We spent time learning about the importance of Mary in our faith and how she helps to lead us closer to her Son, Jesus.

We shared how praying the Rosary is a special way of growing closer to God, helping us to think about the life of Jesus and the love Mary has for us all.

As we journey through this month, we encourage our children and families to take time to pray together and ask for Mary's guidance and intercession in their daily lives.

Please find below this week's link to the 'Wednesday Word' leaflet, inspired by the coming Sunday's Gospel. It includes fun, family-friendly activities for children, and I encourage parents to spend a special 10 minutes each week exploring it together. I hope you enjoy it!

Nursery

This week, Nursery have enjoyed exploring all our wonderful provision activities with their friends. We are learning to share, take turns and follow the rule of love.

Reception

Reception had a fantastic time in PE developing their throwing and aiming skills, carefully tossing bean bags into hoops and showing great focus, determination and teamwork!

Year One

Year One have been learning all about how we use our ears to hear. We have spoken about loud noises and quiet noises. Loud noises are easy to hear and quiet noises are hard to hear.

We created some cup phones to test how well we could use our ears to hear.

Year Two

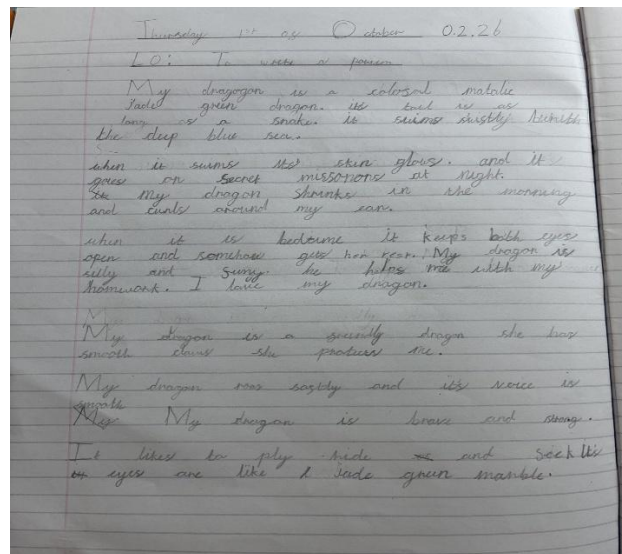

In Computing, Year Two have been exploring what Information Technology is and where we see it in the world around us. We sorted different objects, deciding which were Information Technology and which were not.

Year Three

Year Three have been using their imaginations to write fantastic dragon poems, incorporating powerful metaphors and similes to bring their mythical creatures to life.

Year Four

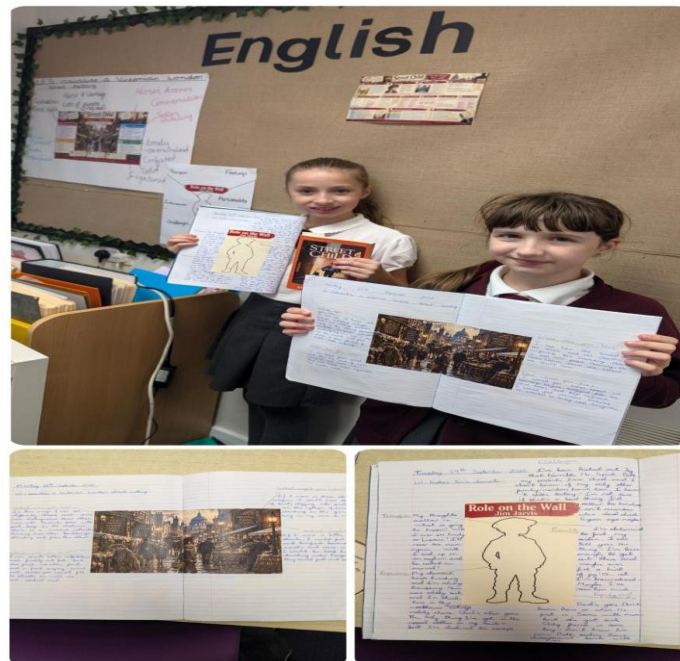

A big thank you to Mr Pownell for teaching Year Four about perspective in art. The children learnt how to draw a row of shops using vanishing lines. They are spectacular!

Year Five

We have started our new text 'Street Child' and the standard of writing in the work completed so far has blown us away.

Year Six

Year Six produced some stunning monochromatic eye drawings this week, carefully using shades and tones to create striking pieces of artwork that they were proud to share.
